Clearing Drivers **Faster**

“We need drivers to get their police clearance checks, and it’s difficult to have to go to a police station to get it done. We enjoy using Certn because these checks can now be **done quickly** without needing to leave the house.”

The transportation industry relies on safe, experienced drivers and operators. Aagum Trucking Experts is proud to provide its clients with drivers that have been vetted quickly and accurately through Certn’s all-in-one screening platform.
